Dear Jim:

Thank you so much for sharing your insights with participants of our Executive Development Seminar (NSA/CSS Executive and The Intelligence Community).

Your presence contributed greatly to the success of this program. The participants quite obviously appreciated both your style and the substance of your comments.

I do hope that you enjoyed the experience as we enjoyed having you, and that you will be with us in future presentations.

Sincerely,

[Redacted Signature]

*Jim - your rating for both delivery  
and substance was as high as  
it ever gets - 6+ on scale of 7!!*
